HAUJOB: Dead Market CDEP [TA055]

After an lengthy hiatus, **Haujobb** triumphantly returns in 2011 with a brand new single CDEP titled '**Dead Market**' to kick off their forthcoming new album '*New World March*'.

Brimming of deep basslines, addictive vocals, and stunning reworks, '**Dead Market**' introduces a new chapter in the **Haujobb** saga with stark ferocity and undeniable depth. Hard, unstoppable beats meet caressing deep basslines and dirty electro rhythms, married with a fierce undertow of complex synthlines and surging atmospheres, perfectly matched with Myer's forceful and provocative vocals.

Tympanik Audio is pleased to announce the upcoming release of **Haujobb**'s new single CDEP '**Dead Market**' in North America on June 17th, 2011. '**Dead Market**' will feature 2 new tracks by **Haujobb** plus outstanding remixes by **The Horrorist**, **Exes**, **Nomenklatur**, **Paul Kendall** (**Nitzer Ebb**, **Depeche Mode** producer), and **Absolute Body Control**.
